Art on the Walls Project

Artwork Information

Each term we install artwork at area businesses, and you are invited to join in. There is no fee to participate, and we do not collect any fees if a piece sells. Please read this agreement carefully.
All pieces will be delivered to and picked up from the Goffstown Main Street office 4x/year—MARCH, JUNE, SEPTEMBER, & DECEMBER -- with specific drop-off/pickup/hanging dates to be determined by Art Team volunteers. All pieces must be ready for hanging (i.e., wired on the back), and suitable for a family-friendly environment. Designated team members and business owners will determine which pieces are accepted/installed. Once accepted, the artwork will be installed by the team. We require artists to keep pieces on display in a business until the end of the session. Thank you.

_____

I agree to leave the artwork in place until the team replaces the artwork. All details will be listed by artist, medium, title, price and contact info. Interested buyers will contact me directly if a piece is purchased, and if the piece can't remain until the end of the session, I will provide a suitable replacement to hang in its place until the end of the session. I will also notify the Art Team if this is the case. I do not hold Goffstown Main Street Program, its volunteers, the local businesses, or any of the employees or others affiliated with the business partners responsible for loss or damage to any property belonging to me.
