

# Uncommon Art on the Common

*est. 2009 Goffstown, New Hampshire*

## Some History

Goffstown and the surrounding areas have long enjoyed a vibrant, creative community nestled in historic southern New Hampshire. Back in 1999, when the Main Street Program established a charter in Goffstown, a natural, cooperative union was formed between the new Goffstown Main Street Program and the Goffstown art community (which became known as the Art Team) during those early years. Through Main Street events, the Art Team has taken an active role to foster and promote the arts in town.

In 2009, the annual Goffstown Open Studio Tour had changed to become our premier event, Uncommon Art on the Common, allowing more artists from a greater area to participate. The concentration of exhibitors on the Common and along Main Street provides greater ease for our visitors to experience a broad range of creative endeavors, as well as explore our excellent local eateries and shops. Since our beginning, Uncommon Art has grown and become a much-loved summer tradition in the Village. We enjoy a mix of perennial favorite artists and makers, as well as talented newcomers. Not enough can be said for all the incredible people who make this possible every year. THANK YOU!!

To learn more about the Goffstown Uncommon Art community, please check out our website: [goffstownuncommonarts.org](http://goffstownuncommonarts.org).

We also welcome new people to join the Art Team. Whether you are an artist, craftsperson, author, musician, actor, film maker, or just someone who loves and supports the arts, we'd love to have you! The Team meets for breakfast 8:30 every Monday morning at Sawyer's. We also get together at 6 PM on the last Wednesday of the month at Putnam's for dinner. Come on down and join us!

The Common: Try your luck at the Uncommon Art Raffle Tent! We look to have a great assortment of fantastic prizes donated by both participating artists and local businesses alike. Tickets are \$1/each or 6/\$5. Proceeds benefit the arts programs at GHS... if at least \$500 is raised, a scholarship will be established for a 2026 graduating senior, majoring in one of the arts (either visual or performance).
